2. An "aggrieved person" is the person or persons making the claim.

3. A "party in interest" is the person or persons making the claim and any person who might be required to take action or against whom action might be taken in order resolve the claim.

#### **B. Purpose**

1. The purpose of this procedure is to secure at the lowest possible level, equitable solutions to problems. Both parties agree that these proceedings will be kept as informal and confidential as may be appropriate at any level of the procedure.

2. Nothing herein contained shall be construed as limiting the right of any employee having a grievance to discuss the matter informally with his/her immediate superior, provided the adjustment is not inconsistent with

terms of this agreement.

### **C. Procedure**

1. Since it is important that grievances be processed as rapidly as possible, the number of days indicated at each level should be considered as a maximum and every effort should be made to expedite the process. The time limits specified may, however, be extended by mutual agreement. Failure on the party of the grievant or the Association to proceed from one level to the next within the stated time limits shall be construed as an abandonment of the grievance. Failure on the Board of Education or the administration to respond within the stated time limits shall result in a determination of the grievance in favor of the aggrieved.

2. In the event a grievance is filed at such time that it cannot be processed through all the steps in this grievance procedure by the end of the school year and if left unresolved until the beginning of the following school year, could result in irreparable harm to a party in interest, the time limits set forth herein shall be reduced so that the grievance procedure may be exhausted prior to the end of the school year or as soon thereafter as is practical.

3. **Level One**: An employee with a grievance shall first discuss it with his/her immediate superior with the objective of resolving the matter informally. A grievance must be filed within thirty-five (35) days of its occurrence or within thirty-five (35) days of the date the grievance would reasonable have been known to occur. However, if this is not resolved, the employee may request assistance from the Association to resolve his/her grievance at this level.

4. **Level Two**: If the aggrieved person is not satisfied with the disposition of his/her grievance at Level One, or if no decision has been rendered within ten (10) school days after presentation of the grievance, he/she or the Association, must submit the grievance in writing within eleven (11) school days to the Superintendent of Schools.

5. **Level Three**: If the aggrieved person is not satisfied with the disposition of his/her grievance at Level Two, or if no decision has been rendered within fifteen (15) school days after the grievance was delivered to the Superintendent, he/she or the Association must submit in writing the grievance to the Board of Education. The Board

of Education will review the Grievance in caucus with the person and/or representatives from the Association. At Level Three, following review of the grievance, the Board shall set forth in writing its decision and the reason(s) thereof within thirty-five (35) days from the date of submission of the grievance to the Board.

**6. Level Four:**

(a) If the aggrieved person determines that the grievance is not satisfied, the grievance must be submitted to arbitration within twenty (20) school days by the aggrieved person, or GTEA Committee if so requested.

(b) Within fifteen (15) school days after such written notice or submission to arbitration, the Board and the aggrieved person and/or the GTEA Committee shall attempt to agree upon a mutually acceptable arbitrator to serve. If the parties are unable to agree upon an arbitrator or to obtain such a commitment within the specified period, a request for a list of arbitrators may be made to the American Arbitration Association by either party. The parties shall then be bound by the rules and procedures of the American Arbitration Association in the selection of an arbitrator.

(c) The arbitrator so selected shall confer with the representatives of the Board and the aggrieved person and/or GTEA Committee and hold the hearings promptly and shall issue his/her decision. The arbitrator's decision shall be in writing and shall set forth his/her findings of fact, reasoning and conclusions on the issues submitted. The arbitrator shall be without power or authority to make any decision which requires the Commission of an act prohibited by law or which is in violation of the terms of this agreement. The decision of the arbitrator shall be submitted to the Board, the aggrieved person and the Association and shall be final and binding on the parties.

(d) The costs for the services of the arbitrator, including per diem expenses, if any, and actual and necessary travel, subsistence expenses and the cost of hearing room shall be borne equally by the Board and the Association.
